Candlelight Service in St Stephens

On Sunday 13th October at 6-00pm a very impressive Candlelight Service was held in St Stephens Church. Two of the original oil lamps were lit along with many candles. To coincide with the service it was the 50th Anniversary of the switching on of electric lights in the church. During the service Warden Brian McDonald read out the very touching speech Ruby Jane Keyte (nee Heazlett) gave before she officially switched on the lights.

If you have any photos of Majors Creek ,old families, identities etc. I would appreciate if I could have a copy for inclusion in this collection, when maybe it can be published in a book form.

If you can oblige copies can either be forwarded to me at PO Box 21 Majors Creek NSW 2622 or emailed to macdon7@bigpond.com.

TENNIS COURTS

After some months obtaining grants and funding for a new tennis court and arranging the construction it is now a reality. The courts have now been completed and an official opening is being planned for December 12th. Many thanks to the committee for their work and to all who contributed in some way, without the support and help of the community these projects don't happen.
