Majors Creek Recreation Reserve

The Trust has again been nominated in the NSW/ACT Regional Achievement and Community Awards / Crown Reserve Trust Community Managers Award.

There are more than 7,000 Crown Reserves across the state, which are managed by either a community or corporate trust manager.

Community Managers are generally made up of reserve trust boards of community volunteers who devote many hours of unpaid service to their communities managing and caring for Crown Reserves which include recreation areas and parks, halls, museums and other community assets.

The Majors Creek Hall and facilities are available for hire for functions etc , for more information re availability and charges please contact Brian McDonald 48461157

Majors Creek Branch of the CWA

On Wednesday 5th July the branch remembered the people of Nepal (the CWA Country of Study for 2017) by having a luncheon of Nepalese food. Thirteen members and family sat down to a beautiful meal of a main dish and sweets prepared by the ladies. Well done and enjoyed by all. Their July monthly meeting followed the luncheon.

The branch meets on the first Wednesday of each month to deal with official business and discuss ongoing knitting and handicraft.

Next meeting Wednesday 2nd August 2017
New Members are always welcome.
Remember it is not only Tea and Scones.

Changes in our Village

With another new house arriving as well as others springing up on blocks around the village.

Roadside Cleanup

In an effort to clean up roadside litter Sandra Hand is keen to get residents to 'adopt a stretch'. The idea is that the road between Braidwood and Majors Creek would be broken up into roughly 1km long sections which people would 'adopt' to pick up litter. The job could be done at anytime. If interested please contact sandra.hand@optusnet.com.au

A great idea, Maybe could be in conjunction with the Progress Ass proposal.

Majors Creek Bushfire Brigade

On the weekend of the Oct 15th and 16th Brigades from the Lake George Zone will gather in the Majors Creek area to conduct a Navigation Exercise which will involve crews rotating between various activities. Community Engagement members will be keen to visit householders to give advice on preparing for fire. You can register for this by advising Richard on 4846 1096.

More news on the noticeboards as it gets closer.

* Nothing further re burn off at the Majors Creek Cemetery.

Our sympathy is extended to Tony Riley on the death of his son Terence

Next service in St Stephens will be Sunday 6th August 2017 All welcome to attend
